LEAVE A LEGACY OF PUBLIC SAFETY

Together, we can make a **Significant Impact on Public Safety** in Sharp County!

What is the Sharp County Sheriff Foundation?

The Sharp County Sheriff Foundation is a 501(c)3 nonprofit organization designed to give citizens a way to provide tax-deductible financial support beyond the scope of the Sheriff's Office's normal operating budget.

Why Donate?

While the County budget covers basic operating expenses for the Sheriff's Office, the Sharp County Sheriff Foundation fills areas of need that may otherwise go unaddressed. Equipment wears out. Technology changes. Through donations to the Sheriff's Foundation, we may be able to address these needs more quickly and without any additional burden to taxpayers.

How are Donations Used?

Your tax-deductible donations may be used to purchase items such as specialized equipment and technology, professional development for officers and staff, and educational scholarship opportunities for Sharp County Sheriff's Office employees and their children. Donations may also be used for the advancement and promotion of law enforcement, public service missions, and in furthering the objectives of the Sharp County Sheriff's Office and its employees.

Who Oversees the Foundation Finances?

The Foundation is managed by a volunteer Board of Directors, comprised of local community leaders, our Chief Deputy, and our Sheriff.

FNBC Deputy Safety Fund

The Deputy Safety Fund purchases safety equipment (tasers, bulletproof vests, weapons, spike strips) to aid in protecting our deputies.

- **Laptop Computers for Patrol Vehicles:** \$25,000

SHERIFF'S WISHLIST

The Sheriff's Wishlist gives you deeper insight into the Sheriff's Office's needs for items that are typically outside of the normal operating budget.

You may choose a particular line item and designate your gift to purchase it, or you may make a general donation and the Foundation Board will use your gift for the most pressing need at that time.

ALL DONATIONS ARE WELCOME.
